Sir, Through The President, District Board, South Kanara.

Sir,

V

Referring to G.O. No. 1596/ Misc. dated the 12th --- November 1923, I have the honour to state that the grant due to this Taluk Board under section 37 of the Madras Elementary Education Act is Rs 10,670-7-9 but the Government has allotted only a total sum of Rs 7,155, the difference seems to represent the recovery of the Government grant equal to the Education Cess Rs 3521-8-1 wrongly credited to the Taluk Board for --- April and May '21 and refunded in the current official year as per G.O. No 181 221. Misc. dated 19th January 1923. As the amount of subsidy now recovered (Rs 3521-8-1) was actually

spent in the year 1922-23 and as credit for the full amount of Rs 10,676 has been taken in the revised budget of the --- Elementary Education Fund for the current official year,-- I request that the Government will be pleased to reallot the amount of Rs.3521/--I beg to submit that the several -- items of expenditure cannot be curtailed at this late period of the year without detriment to the administration and as such, the Government may be pleased to accord their kind -- sanction.

No. ----- dated ----- -1-24.

Copies of the replies received from the Pre-
sidents of Taluk Boards of Karkal, Kasargod,
Mangalore, Udipi and Ulinangadi are herewith
forwarded. They show the amounts of unauthorised
collections noted in para. 2 of the U.O. refer-
ence No. 4154-A-1 dated 21.9.1923 to be correct,
and they are reported to have been refunded in
the current year, viz., 1923-24.

In sanctioning the grants to the above board
for the year 1922-23, the Govt. have excluded the
amounts of unauthorised collections from the amount
of tax collected during the year, and authorised

the payment of only the net amount--vide G.O. No.

1595 Mis. Law (Edn) Department dated 12-11-1923. (V)

The grant for the year 1923-24 shall have therefore to be fixed with reference to the amount of tax collected during the year, leaving out of account the deductions noted under the head "Elementary Education tax" in the accounts of 1923-24 in respect of the amounts of unauthorised collections referred to above. 2

This is for the Examiners to be set at once in the Examinations proposed next year for the purpose of ascertaining the contribution of the Government to the cost of the last year 1923-24

(2) The Presidents of Udipi and Mangalore Taluk Boards point out that with the amount of reduced grant sanctioned for payment during the year 1923-24 they may not be able to meet the expenditure budgetted for the year. If the Presidents cannot reduce the expenditure of 1923-24 it is not likely that they will be in a position to curtail the expenditure for 1924-25 also to the extent of the full amount of unauthorised collections made. In case a portion of the amount recovered under the above G.O. of 12-11-1923 is ordered to be ~~returned~~ refunded, a corresponding deduction will have to be made from the amount of collections of the education tax during the year 1923-24 for the purpose of grant to be sanctioned for that year.

-(3) The presidents of Wynad and Perambalur Taluk Boards have replied. The former board did not collect education tax during the year 1922-23. The figure of Rs.5,162-8-0 shown against the latter board in the statement furnished by this office is correct, the difference between the President's figure and the Trichinopoly Treasury Deputy Collector's figure noticed by this office being due to the inclusion of the collections of April and May 1923 in the figure reported to this office by the President.

(4) The reply from the President, District

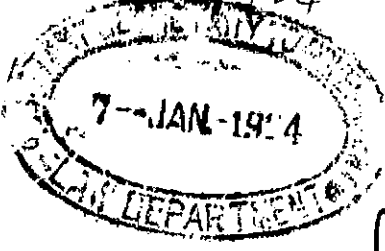

Board

-3- S

Board, Ganjam regarding the differences relating to the figures of the Taluk Boards in that district has not yet been received. He was specially reminded and a telegram has also been issued to him to expedite his reply. On receipt of it, the necessary report will be made regarding these taluk boards.

and, further, regarding the differences relating to
the figures of the 'air' bonds. It is not correct
that they have not yet been received. He has specially re-
minded and a telegram has also been issued to him
to expedite his reply. On receipt of it, the neces-
sary report will be made regarding these 'air' bonds.

Paras 1 & 2 of the Examiner's note on pp 1-2 ^(N. 2.2)

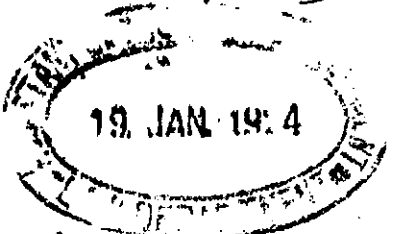

The Udipi IK Bd requests that the Sura ^(as proposed for tax) Rs 3521 wrongly adjusted in its favour and subsequently ordered to be refunded, may now be re-
allotted to it. Though the IK Bd is a tax levying
body, it was allowed to contribute from its general
revenues a Sura of Rs 8,940 only for each of
the years 1922-23 & 1923-24 against Rs 13,127 ^(as prescribed in)
1920-21. The Sura of Rs 3,521 now in question may
very well be met from the Board's general
revenues by an increased contribution to the
S.E. fund or at by curtailing the expenditure of
1923-24. Draft negating the Board's request
is Subd. It may be sent to LLS for acceptance.

~~2. Mangalore IK Bd. The question as it relates to this IK Bd, is dealt with in a folio~~
